On July 15, Meridian hosted its 13th annual Fam Fest with a new Back-to-School theme offering the community resources, health initiatives and fun for the family at a NEW location – Meridian’s School Clinic at Southside Middle School. We are proud to have provided 1,176 health screenings, COVID vaccinations to those ages 12 and older, and school sports physicals. We couldn’t have made this happen without our more than 100 selfless volunteers! THANK YOU!
